## SCHOOL COUNSELOR'S CORNER

Dear Parents,

This month's Character Ed word of the month is **Commitment**.

**Definition:** The obligation or pledge to carry out some action or to support some policy or person.

**Objective:** Investigate the idea that commitment involves both obligations and actions.

**Practice:** During morning announcements, students are informed of the character education word of the month. Teachers will watch for students exhibiting the character traits during the month and nominate students for an award. Students names will be placed in a jar in the Media center. At the end of the month names will be drawn for small prizes.

**Essential Question:** What are my responsibilities within my school and neighborhood to demonstrate commitment?

### Daily Modeling:

- Staying with the task and not giving up.
- Trying again and again and again.
- Being patient and willing to work hard.

Thank you for your efforts in encouraging and modeling our character word of the Month: **Commitment**

Student Assignment 2018-2019  
January 22– March 23, 2018

Parents of **currently** enrolled students in Lee County Public School grades five, eight, and students in Pre-K attending Lee County Public Schools who are eligible for kindergarten for 2018/19, will be mailed their child's personalized application between January 19 - February 9, 2018. To alleviate the volume of people in the Student Assignment office, applications will be mailed out by level.

- Current 8<sup>th</sup> grade student applications will be mailed on January 19<sup>th</sup>.
- Current Pre-K student applications will be mailed on February 2<sup>nd</sup>.
- Current 5<sup>th</sup> grade student applications will be mailed on February 9<sup>th</sup>.

Students new to the district will continue to be enrolled during the entire first enrollment period. This is a very exciting time of year for students and parents as they plan for 2018-2019.

Those receiving applications can save time by applying online! Please read the documents sent to you very carefully, and determine if you want to apply online, mail it back to us, or bring it to one of our offices in person. This is an application collection period. There is no need to stand in long lines the first few days as all applications are processed as a group after the first enrollment deadline. Those who apply online will be able to view their results 1 week earlier than assignments are mailed out.

Parents of children who will be five on or before September 1, 2018 and who are not enrolled in one of the district's Pre-K programs must visit one of our offices to register for kindergarten for the 2018-2019 school year (bring registration requirements). This should be done during the first application period (January 22 – March 23) to increase the chances of being assigned to your preferred school.

Brand new students cannot apply on-line – they must be registered in person.

There are **no automatic assignments** – parents need to register incoming kindergartners even if they have an older sibling already attending the preferred school.

Please visit [www.leeschools.net](http://www.leeschools.net) for registration requirements and Student Assignment Office locations.

Lee County is home to Florida's top ranked virtual school. Lee Virtual Instruction Program is the only Kindergarten through 12<sup>th</sup> grade public virtual school in our area. This challenging virtual learning program follows the school district calendar. Students have access to many of the same courses as they would in a traditional school including Advanced Placement (AP) and Dual Enrollment (FGCU, FSW, FMTC and CCTC) along with the flexibility of a dynamic schedule. Students who complete the virtual course of study receive the same accredited diploma as any other public school. There are two application periods for LVIP. The first application period coincides with the Student Assignment's first application period. The second one begins the Monday after Thanksgiving for second semester enrollments and closes prior to final exam week of the first semester. Applying to LVIP does not affect your current School Choice assignment until the student completes orientation and enrollment in the LVIP program. Lee Virtual also offers a variety of summer courses for original credit. Visit Lee Virtual Instruction Program at <http://lvip.leeschools.net/>.

Treeline has selected Lauren Harrison as Treeline Elementary's nominee for the Carson Scholarship. The Carson Scholars Fund awards \$1,000 college scholarships to students in grades 4-11 who excel academically and are dedicated to serving their communities. Scholarship winners receive the honor of being named "Carson Scholars" and are awarded an Olympic-sized medal and a trophy for their school to celebrate their accomplishments. Lauren is currently in the application process and we are hoping that she will be awarded this scholarship opportunity.

Lauren Harrison is a 5<sup>th</sup> grade student at Treeline. Lauren has two brothers and enjoys helping her parents at home. She volunteers at the mobile food pantry. She has also participated in the "Soup"er hero 5k race benefiting Community Cooperative, a local organization whose mission is to fight hunger and homelessness in Lee County. She has a GPA of 4.0. We are so proud of Lauren and her accomplishments and look forward to seeing all that she achieves.
